List of Site Eligible Schools for the Fresh Fruit and Vegetable Program
October 2014 Data: Effective 2.1.2015

**** ELIGIBLE SITES-** This list represents schools that are site eligible (50 percent or more children eligible for free and reduced price meals); however, they cannot be used in determining if other sites under the Summer Food Programs, CACFP At-Risk After School Meals and NSLP After School Snack are eligible. As with area eligible schools, percentages are calculated annually by the CSDE Child Nutrition Programs and are based on October data.

Note: This is a list of all sites that meet the 50% or more free and reduced criteria. Some of the schools may not be eligible due to their grade level. Only Elementary Schools (K-8) are eligible to participate in the Fresh Fruit and Vegetable Program (FFVP). For Residential Child Care Institutions on this list, an elementary program must be in place to be eligible for the FFVP.
